

Orange is the New Black

Nicky: (20's/30's)

Hey, you know that thing that happens to lesbians in high school? How we strike up a really intense best-friendship with a straight girl who's really into it. And we can convince ourselves that friends is good, right? Until she gets a boyfriend. We hate that poor asshole with the white-hot heat of a thousand suns, a 'he's not worthy of you' or whatever when he's probably a decent-enough person, I mean, as guys go. Because what's really happening is that we're in love with our friend. You think you're not in love with her? Sure. Let's go with that. But in the event that you were having the feels for her? Yeah, it turns out that by hating her boyfriend, you're just gonna drive her away. I mean, you gotta suck it up and make him like you. Take up poker. Watch the Godfather 10 times or whatever. Anyway, it's your life. I mean, spend it how you want, all right?
